

LARRY C. JAMES, Ph.D., ABPP

EDUCATION/CERTIFICATES:

***Board Certified (ABPP) Health Psychology,** American Board of Professional Psychology, 12 May 1997.

***Board Certified (ABPP) Clinical Psychology,** American Board of Professional Psychology, 18 Aug. 1998.

***Post-Doctoral Fellowship Certificate:** Behavioral Medicine & Health Psychology. Tripler Army Medical Center, Honolulu, Hawaii. 01 July 1994-30 June 1995.

Doctor of Philosophy (Ph.D.) Counseling Psychology, The University of Iowa, Iowa City, Iowa. December 1987, an APA Approved Program.

Diploma, Command & General Staff College, U.S. Army (1995)

Masters of Arts. Clinical Psychology, Loras College, Dubuque, Iowa. May, 1982.

Bachelor of Arts. Psychology, University of Dubuque, Dubuque, Iowa. May, 1979.

Internship Certificate: Clinical Psychology, Bethesda Naval Hospital, Nov. 1986-Nov. 1987. (APA Approved).

License: State of Louisiana #616

Fellow, American Psychological Association, Division 38 (Health Psychology), Division 12 (Clinical Psychology) & Division 19 (Military Psychology).

Fellow, American Academy of Health Psychology

Fellow, American Academy of Clinical Psychology

Summary of Management & Budget, Academic, and National Leadership Experience:

Management & Budget: Served as Dean of School of Professional Psychology at Wright State University, Chair of Psychology at Walter Reed Army Medical Center and Chair of Psychology at Tripler Army Medical Center. Managed Departments with over 10 million dollars in equipment, funding, personnel and more than 100 staff members.

Academic Experience: Served in a variety of universities since 1992. Taught at the graduate and undergraduate levels, supervised interns & post-doctoral fellows and chaired dissertations. Received over \$10 million dollars in federal research dollars.

Diversity Innovation: Received a national diversity award, developed three separate graduate training programs in Hawaii to train native Hawaiian psychology students in clinical psychology. Co-edited book on diversity.

Innovation Practice: Pioneered the use of telemedicine in clinical psychology teaching and clinical service. Developed and directed the Walter Reed virtual pain clinic. Developed video teleconferencing program to provide clinical services throughout the Pacific Rim. Wrote a \$10 million dollar community project to revitalize the urban community surrounding the School of Professional Psychology at Wright State University. Taught world-wide graduate level clinical psychology courses using video teleconferencing, interactive e-mail and web-based technology.

National Policy Involvement: Past President, American Academy of Health Psychology, President, Society of Military Psychology, Board of Directors member, Division of Health Psychology, American Psychological Association, Member of V. A./DOD blue ribbon panel on guidelines for pain management, member American Psychological Association Task Force of Mental Health Services within the department of defense and V.A.

CLINICAL & Work EXPERIENCE:

Dean and Professor, School of Professional Psychology, Wright State University, Dayton, Ohio. Directed the overall management of the school. Coordinated training, teaching, research and fund raising activities. Had responsibility for 130 students and a

multi-million dollar budget and facilities. Wrote grant proposals, taught graduate level courses and advised students on research, training and career development. As part of responsibilities also had overall responsibility of the School's Counseling and Wellness Services and the Duke Ellis Institute. Served on the University Dean's Committee. Reduced budget deficit by \$700,000.00. Wrote 10 million dollar prospectus plan to improve and expand the School's community involvement. Expanded the school's fundraising activities and played an active role in recruiting. Revised school's strategic plan and mission. August 2008 to present.

Chair, Department of Psychology, Tripler Army Medical Center, Honolulu, Hawaii and Colonel, U.S. Army. Supervised the operation for 75 staff and approximately a \$2 million dollar budget in total. Functioned as the Chief psychologist for the pacific region. Served as Co-Principal Investigator for the Native Hawaiian training project in the psychology department which involved an \$850,000 grant. Served as the Behavioral Health Product Line Chief. As product line Chief, coordinated the activities of Psychiatry, Psychology and Social Work Departments.

The position involved the coordination and supervision of Drug & Alcohol services, and the Family Advocacy Service. Supervised residents and fellows and taught graduate level courses. Coordinated the development of behavioral health services in primary care. Co-developed virtual treatment programs to treat PTSD. Provided treatment for soldiers returning from OEF/OIF.

Board Certified in Clinical Psychology and also Board Certified in Health Psychology by the American Board of Professional Psychology. Chief Psychologist and Senior Mental Health Consultant in Pacific Rim. **Credentialed to prescribe for the past ten years. Taught workshops on health assessments, lab interpretations and prescribing practices for behavioral medicine patients.** Supervised interns, fellows and practicum students. May 2004 to July 2008.

Chair, Department of Psychology, Walter Reed Army Medical Center, Washington, DC and Chief Psychologist North Atlantic Region. Directed the operation of a total staff of 30 and an equipment & staff budget exceeding \$2 million dollars. Developed department policy and philosophy as it related to the hospitals mission. Supervised residents, interns, practicum students, and fellows. Member of dissertation committees and directed graduate student research. Served as a member of the hospital executive committee, credentials and medical education committees. **Credentialed to prescribe, order labs and conduct health**

assessments. As Chief Psychologist for the North Atlantic region, was responsible as the clinical psychology consultant to the Commander of the North Atlantic Medical Command and hospital Commanders from FT. Bragg, NC to FT. Drum, NY. In this capacity, provided consultation on credentials, supervision, and standards of practice for over 100 psychologists in North Atlantic Region. **Chief Psychologist at the Pentagon for the Sept. 11th response team. Coordinated all psychology resources for the relief effort at the pentagon and was a member of the Army mental health, Long Range planning committee.** Developed and designed PTSD treatment programs for patients assigned to the Pentagon during 9-11. Developed the department's clinical health psychology service. Supervised fellows, interns and practicum students. Taught behavioral medicine courses and cross-culture course at the Uniformed Services University. Directed the development of the nation's first APA approved Post-doctoral Fellowship in Neuro psychology. **Held academic appointments at the Uniformed Services of The Health Sciences (Clinical Associate Professor) as well as Howard University College of Medicine (Clinical Professor).** Taught courses on Behavioral Medicine Applications, Biofeedback, and Diversity. June 1st, 2000 to May 2004.

Assistant Chair, Department of Psychology, Walter Reed Army Medical Center, Washington, D.C. Developed and coordinated research & training activities in the department. Responsible for supervision of staff, clinical psychology interns and support

staff. Developed innovative health psychology initiatives that included group treatment programs and multi-disciplinary teams. ***Wrote self-studies for Accreditation by the American Psychological Association.** September 1999 to May 30th 2000.

Assistant Chair, and Lieutenant Colonel, U.S. Army, Department of Psychology, Tripler Army Medical Center, Honolulu, Hawaii. Responsible for the development and day-to-day management of the adult outpatient clinical psychology service. **Directed the development, implementation and coordination of the 1st APA approved Post-Doctoral Fellowship Program in the Department of Defense.** ***Wrote the self-study to apply for Post-doctoral APA accreditation.** Wrote SOP for the Post-Doctoral Fellowship to include training & clinical standards and QI procedures. Served as the Director of the Center of Excellence In Psychology Training of the Department of Defense. In this capacity, had overall responsibility for all Post-doctoral fellowship, internship & practicum training programs. **Developed & coordinated the departments APA approved continuing education**

program. Supervised interns, practicum students and post-doctoral fellows in training. Provided individual & group treatment programs to a diverse clinical and cultural population. **Served as Director of post-doctoral Fellowship Training and directed the self-study application process for APA fellowship accreditation.** Taught a variety of courses to clinical psychology interns, post-doctoral fellows and practicum students. ***Credentialed to prescribe, order labs and conduct health assessments.*** June 1998 to Sep. 1999.

Director-Health Psychology Fellowship and The LE³AN PROGRAM: Tripler Army Medical CTR., Honolulu, Hawaii. Directed the training of behavioral medicine, health psychology fellows and health psychology interns. Developed inpatient behavioral medicine treatment programs. Supervised rotations on nephrology, neurology, cardiology, OB/GYN, internal medicine and rehabilitation psychology services. Provided individual treatment to a diverse patient population in inpatient setting. Conducted research, wrote grant proposals and was a member of seven dissertation committees. Developed the LE³AN PROGRAM-an inpatient Health Psychology program for the treatment of obesity, essential hypertension, hypercholesterolemia and type II diabetes. 1 July 1995 to May 1998.

Chief, Division Mental Health Service and Major, United States Army-Division Mental Health Service, Schofield Barracks, Hawaii. Served as department head and chief psychologist. Supervised daily operation of mental health clinic, Behavioral Science Techs, computerized the psychological testing service, developed Q.A. procedures for the administration, and storage of all psychological testing data. **Conducted forensic assessments and was the consulting psychologist at the military brig in Hawaii. Testified in forensic cases and served as a forensic consultant to DOD attorneys.** Provided treatments to soldiers diagnosed with PTSD. Functioned as a mental health consultant to commands in regards to mental health issues. Supervised psychology interns and psychiatry residents. Completed Air Assault Course and Aero-medical Psychology Training Course. Developed smoking cessation program for post wide community. Systematized evaluation process for drill sergeant and sniper school candidates. Provided active duty population with individual and group therapy. June 1992-June 1994.

Senior Staff Psychologist: Mental Health Service, Louisiana State University, Baton Rouge, Louisiana. Conducted individual and group psychotherapy with a diverse college student population. Primary responsibilities were for the development of the Health Psychology service, psychological testing and the development of research projects. Taught health psychology principals, biofeedback and stress management interventions to graduate students. Served as a sports psychologist for the athletic department and Louisiana Tennis Association. Jan. 1991 to July 1992.

Consulting Psychologist, Feliciana Forensic Facility, Jackson, Louisiana. Served as a forensic and correctional psychologist. Provided psychological profiles of convicted felons, consulted with leadership on the management of hard core criminals and treatment options. Feb. 1991 to April 1992.

Chief Psychologist and Lieutenant-United States Naval Medical Clinic, Mental Health Department, Pearl Harbor, Hawaii. Supervised the operations of the outpatient mental health services. Provided individual and group therapy to a diverse adult population. Supervised four Ph.D. level psychologists. Served as a consultant to fleet community and participated in numerous deployments. **Conducted Sanity Boards and served as the consultant to the Navy-Marine Corp Brig. Provided psychological profile on inmates and consulted with chain of command on the management of violent and/or inmates with psychiatric conditions.** Dec. 1987-Dec. 1990.

Department Head and Chief Psychologist-Department of Mental Health, Naval Hospital, Marine Corp Air Ground Combat Center, Twenty-nine Palms, Ca. Two and a half month assignment (TAD/TDY). Responsible for overall department operations and offered short term individual and group therapy. Managed small inpatient ward of psychiatric patients. Developed budget plans and quality assurance efforts for the department. Increased patient referrals to our department by 20% through liaison with chaplain's office and community service office Sept. 1990 to Dec. 1990.

Chief Psychologist and Lieutenant-Psychiatry Department, United States Naval Hospital, Republic of The Philippines. Temporary assignment (TAD/TDY). Supervised Residents, Provided mental health service to active duty and civilian families. Directed patient care on the psychiatry wards and conducted psychological testing for adult and child population. Aug. 1989-Oct. 1989.

Psychometrician. Iowa Medical and Classification Center. Oakdale, Iowa. Conducted psychological assessments of prison inmates. Assisted in the development of psychological profiles of dangerous and violent inmates with psychiatric disorders. Participated in short term individual and group psychotherapy for a forensic population. Sept. 1984 to Aug. 1986. Half-time position.

Recent Military Deployments/Assignments:

Director, Behavioral Science Division, Joint Task Force, Guantanamo Bay, Cuba. June 2007 to May 2008.

Director, Behavioral Science Division, Abu Ghraib, Iraq. June 2004 to October 2004

Deputy Director, Behavioral Science Division, Joint Task Force, Cuba. January 2003 to 05 May 2003

Academic Experience:

Dean and Professor, School of Professional Psychology, Wright State University. Taught graduate level courses in Clinical Psychopharmacology, Health Psychology and Behavioral Medicine 2008 to Present.

Member of The following University Committees:

Council of Deans, Wright State University, 2008 to present.

Academic Deans Committee, Wright State University, 2008 to present.

Chair, Search Committee for College of Education, Wright State University, 2010.

Member, University Master Planning Committee, Wright State University, 2010.

Chair, Department of Psychology, Walter Reed Army Medical Center, 1999-2004.

Chair, Department of Psychology, Tripler Army Medical Center, Honolulu, Hawaii. 2004-2008

Clinical Associate Professor, The Uniformed Services University of The Health Sciences, F. Edward Herbert College of Medicine. 1999 to present.

Clinical Professor, Howard University Hospital, College of Medicine, Department of Surgery. 1998 to present.

Adjunct Associate Professor, University of West Florida, Department of Psychology. 1998 to 2004.

American School of Professional Psychology, Hawaii campus-- 1994 to 2004.
